2. In the case of all funds, it is a general rule that the drawings from the Treasuries should be limited to the balances at their credit and overdrawals should not be permitted to occur (Vide Article 341, M.C.A.C., Volume I). In exceptional cases where overdrawals are found necessary the procedure adopted in the case of District and Municipal Funds (Vide Art.255, M.C.A.C.Vol.I) has to be allowed i.e., there must be a specific order of Government laying down (1) the period upto which overdraft should be permitted and (2) the limit of overdraft; and interest at a specified rate say 6 or 7 percent for annum, has to be levied on all such overdrawals. So long as the funds are administered by Government and the transactions are conducted in Government Treasuries, it is inevitable that a portion of the cash balance of each institution according to the volume and importance of the transactions should always remain in the Treasury and for such balances interest is not allowed ever in the case of other funds. This should not be allowed as an argument to support overdraval and the waiving of the recovery of interest thereon. The investment of the fund accounts should be so arranged as to leave a working balance to meet all requirements without having to overdraw from the Treasury except on special occasions with previous

previous arrangement under proper sanction. In these circumstances, I would suggest that the procedure prescribed in respect of District and Municipal Funds may be required to be followed in respect of all Muzrai Funds also.

3. In the present case, the Muzrai Commissioner states that the Lirus balance under "General Muzrai Fund" is expected to be fully adjusted during the current official year.

It appears therefore sufficient if an order is issued by Government permitting overdrawal till the end of the current official year and also specifying the amount of overdraft to be permitted and the interest to be charged thereon.

2. The budget for 1931-32 was framed on the assumption that the whole Fund would be in the debit to the extent of Rs.9515-14-6. But the actual debit balance has been ascertained to be Rs.4450-5-10 on account of large additions made to the Fund during the latter half of 1930-31 by institutions which were finally declared as defunct up to the end of December 1931 an income of Rs.17047-12-8 has actually been realised according to the sanctioned budget a sum of Rs.15501-9-0 (excluding the loan advanced to the Sri Adi-Chunchingiri Matha) remains to be realized during the rest of the year. Besides the Special Duty Mildar and the Auditor have traced and reported on many defunct institutions in Shimoga and Mysore Districts and if, as is expected, the local officers pass final orders in all these cases, a further sum of Rs.5000/- may be added to the Fund.

FROM

S. P. RAJAGOPALACHARI, ESQ., B.A., B.L.,
Muzrai Commissioner in Mysore

To

Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to Government of His Highness
the Maharaja of Mysore,
Financial *Department.*

SIR,

With reference to correspondence ending with your letter No.228 Muz. dated 16th April 1931 calling for the submission of progress report on the work of the Special Duty staff, I have the honour to submit herewith copy of a special report dated 5th June 1931 submitted by Mr.I. Anandalwar, Amildar on special duty, and to state as follows:-

2. From the report it will be seen that up to the end of May 1931 - inspection and investigation work in all the Taluks of the Mysore -- District except Krishnarajpet, Pandya, Maddur and Nagamangala Taluks has been completed and that work in the Krishnarajpet Taluk is expected to be finished during the current month. The investigations so far -- conducted have resulted in tracing

(i) 142 defunct institutions

(ii) 66 cases of alienation or unauthorised enjoyment of inam endowments.

(iii) 82 cases in which village institutions may be converted into minor ones.

& (iv) 150 cases in which the revision of existing scales are necessary.

Individual reports in respect of 113 defunct institutions, 20 cases of alienation and 46 cases in which village institutions may be converted into major or minor institutions are said to have been submitted by the Sub Division Officers concerned, leaving 29,37 and 36 cases under ---- i,ii & iii, respectively, for completing the enquiry. On the basis of the investigations thus conducted, the Special Duty Amildar estimates that recurring and non-recurring income as detailed below would accrue to the General Muzrai Fund after the 142 institutions are [illegible]

as defunct. Recurring: Income from lands or cash grant Rs.621/-a year

Non recurring:-

Balances available at the credit of these institutions Rs.9740-0-0

The conversion of 82 village institutions into major or minor ones is expected to yield an annual reserve of about Rs. 2310/- for the benefit of the institutions concerned, besides a contribution of Rs.460/- to the Agrai Establishment Fund. The restoration of the inam lands which have been either alienated or in the unauthorised enjoyment of other persons is likely to benefit the institutions concerned to the extent of Rs.5554-0-0 a year.

3. Mr. Anandalwar, represents that the entire work in the Mysore - District could not be completed within the alloted time, as the number of institutions to be handled was much larger than in the Shimoga District and as there was some difficulty also in getting information about the -- details of inam lands in inam villages. He expects to complete the --- remaining items of work, viz.,

(i) Inspection and investigation of defunct institutions in the --- Nandya, Maddur and Nagamangala Taluks:

(ii) Completing enquiry in respect of

29 defunct institutions

37 cases of alienation and

36 cases of conversion of village institutions into major or minor institutions within four months from 1st July 1931.

4. Mr. Anandalwar has done good work during this period. It is desirable to have the remaining items of work also attended to by the same agency. In view of the above, I beg to recommend that the term of the Special Duty establishment may be extended by four months more, i.e., till the end of October 1931, charges on account of pay Travelling -- Allowance etc., being met as here-to-fore.

5. A copy of letter No.H221/30-31 dated 28th April 1931 received -- from the Deputy Commissioner, Mysore District, submitting the details of work done by the Special Duty Amildar till the end of March 1931 called for in our letter under reply is sent together with its enclosures -

enclosures in original. It has to be observed in this connection that the non-submission of reports by the Sub Division Officers -- giving details of cases disposed of by them is highly unsatisfactory The Deputy Commissioner will be requested to instruct the Sub ----- Division Officer's to show better progress in future and to submit the report at the prescribed period.

6. Similar report in respect of work done in the Shimoga ---- District could not be submitted, as the particulars called for from the Deputy Commissioner have not been received in spite of reminders An urgent reminder has again been issued to expedite the submission of the report in the form desired in your letter of the 16th April 1931.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Brief Report of work done by the Amildar on Special Duty (Muzrai), Mysore District, from 24th July 1930 to the end of May 1931.

In accordance with G.O. No.2945-9/Muz.335-28-15 dated 23rd June 1930 continuing me on Special Duty for a period of six months from 1st July 19[illegible]

Period and sphere of Special Duty.

with a view to consolidate the investigation work already done in the Shimoga District in respect of defunct Muzrai institutions and unauthorised enjoyment or alienation of Muzrai Inam grants and also to start similar investigation in the Mysore District, and Muzrai Commissioner's letter No.1980/28-30 dated 30th June / 1st July 1930 issuing instructions about my relief at Shimoga, I submitted to the Deputy Commissioner, Shimoga District, on the 15th July 1930 a clear report of the further work to be done in respect of reports already submitted by me and joined duty in Mysore on the 24th July 1930. In G.O. No.1508-1 Muz.273-30-2 dated 13th January 1931, the period of my special duty was extended up to the end of June 1931.

2. In accordance with the instructions of the Muzrai Commissioner communicated in his letter of 1st July 1930 referred to above, I examined in September 1930 the progress achieved in the Revenue offices of the Shimoga District in respect of cases investigated by me and submitted a special report to the Deputy Commissioner which was reviewed by him in his office No. Muz.1.C.1897/28-29 dated 11th December 1930.

3. In accordance with the instructions of the Muzrai Commissioner communicated in his letter No.775/30-31 dated 10th December 1930, I have confined my attention to the following items of work in the Mysore District:-

(i) Cash and land grants of defunct institutions.

(ii) Unauthorised enjoyment of Inam lands endowed to Muzrai Institutions.

(iii) Framing of scales of expenditure in cases where there are none now.

(iv) Bringing to notice any serious irregularities in connection with collections and the need for revision of existing scales.

4. I started my investigation work in the Mysore District in the last week of July 1930. I have completed the inspection and investigation work of all the talukas except Krishnarajapet, Nagamangala, Mandya and Maddur. I expect to finish Krishnarajapet Taluk this month and then go to Bangalore for 10 days for tracing in the Inam Superintendent's Office, references required in connection with the investigation of certain defunct institutions. Nagamangala, Mandya and Maddur Taluks have to be taken up from July onwards.

Muzrai institutions inspected or investigated.

take necessary further action for converting them into Minor institutions 46 village institutions which could be converted into minor have been traced in the District since January 1931 and proposals fixing up scales have been submitted in 10 cases. Action in respect of 10 cases has to be taken after the lands are leased out or alienation cases of lands have been decided by the Sub Division Officers. Proposals in respect of the remaining 26 cases will be submitted after completing the enquiry.

8. The financial result of the investigation is that 82 villages institutions with an annual income of R. 15,600/- which were not utilising a major portion of their income have been traced and that by the fixing up of scales converting these into minor or major institutions, the whole income would be utilised for services in the temples. This scheme would bring in an annual income of R 460/- to the General Muzrai Establishment Fund, create a Reserve Fund of R 2,310/- a year for repairing the temple buildings and also make an additional amount of R 7,400/- a year (R 15,600 minus R 8,200/-) available for expenditure in the temples.

9. During the course of investigation it was found that the scales of about 150 institutions fixed more than five years back required revision. The Amildars concerned have been requested to take necessary action in the matter.

Revision of scales of Muzrai institutions.

10. It is estimated that the investigations so far conducted would bring in to the General Muzrai Fund the old balance of R 9,740/- and also a sum of R 621/- as annual income from lands or cash grants endowed to Muzrai institutions which have now been detected to be defunct. The conversion of village institutions into minor or major would result in making an additional sum of R 7,400/- (R 15,600/- minus R 8,200/-) which is at present being unauthorisedly enjoyed by the Managers or Archaks of the temple available for the use of the temples and there would be an increase of R 460/- a year in the contribution to the General Muzrai Establishment Fund. The restoration of Inam lands which have been alienated or are in unauthorised enjoyment would increase the income of institutions by R 5,554/- a year. It will thus be seen that the total financial benefit would be about Rs12,954/- a year to the institutions and R 10, 361/- to the General Muzrai Fund including the old balance of R 9,740/-.

Financial result of investigations.

11. As explained above, the following items of work would remain at the end of June 1931:-

(i) Inspection and investigation of institutions and endowed lands in Nagamangala, Mandya and Maddur taluks.

(ii) Completion of enquiry and submission of reports in respect of -

(a) 29 defunct institutions
(b) 37 alienation cases
(c) 36 village institutions to be converted into minor.

It is submitted that for completing the above items of work, a period of about four months from July 1931 would be required. It may be roughly estimated that sum of about Rs 5,000/- more would be made available for credit to General Mugrai Funds, being the old balance at the credit of institutions which are defunct.

12. The number of institutions to be handled in the Mysore District is much larger than in the Shimoga District. Though there is no such General complication as mixed Inam, yet in most of the alienation cases, the alienees claim Kaim tenancy which requires detailed investigation. On account of the abnormal fall in the prices of food stuffs, many village institutions whose income from land endowments was estimated at Rs100/- or more in July last, have to be continued as village institutions this year.

There is some difficulty and much delay in getting information about the details of Devadaya Inam lands in the Inam villages.

Reports have been submitted to the Sub Division Officers concerned in respect of 188 cases of defunct institutions, alienation cases, &c., traced in the District.

Letter No.H.221/30-31 dated 28th April 1931 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

Progress of work done by the Special Muzrai Amildar and disposal of cases investigated by him.

With reference to your letters No.829 of 30-31 dated 8/9th April 1931 and No.1638 of 30-31 dated 15/16th April 1931 calling for a report in the matter of the disposal of cases of alienation or unauthorised enjoyment of Inam lands endowed to defunct Muzrai Institutions investigated by the Special Duty Amildar, and of the progress of work done by him, I have the honor to submit herewith a copy of report No.400 dated 14th April 1931 with its enclosures received from the Special Amildar furnishing details of work done by him up to the end of March 1931 and that still remaining to be done.

2. The nature of work done by the Special Amildar may be classified as follows:-

	Total No. traced.	No.of cases in which reports were sent to S-D.Os.	No.of cases pending further investigation.
(a) Defunct Institutions traced	105	79	26
b. Alienation or unauthorised enjoyment of Devadaya Inam lands.	45	21	24
c. Village Institutions to be converted into minor as their income is over Rs.100/-	65	38	27
	215	138	77

The total number of cases traced by the Special Amildar is 215 of which he has sent reports to the concerned Sub Division Officers in respect of 138 cases for disposal under Muzrai ------ Regulation. The balance of 77 cases are reported to be pending with him for further investigation. The Special Amildar has been directed to expedite his further investigations in respect of the pending cases and to submit his reports to the Sub Division Officers before the end of the next month.

2. Besides, the Special Amildar has not yet completed his investigations in Mandya and Seringapatna Taluks. He has been directed to take up this work immediately and complete it one during the next two months before his term of special duty expires on 30th June 1931.

3. None of the Sub Division Officers have reported to the progress made in the disposal of cases traced and rep by the Special Amildar. As each individual case has to be pr enquired into in tail, some time is necessary before final orders are passed by the Sub Division Officers. I have, however, instruc them to dispose of these cases, as expeditiously as possible in vie to improve the resources of the Institutions converned.

Government order No. 1508-11/Muz.223-30-2 dated the 12th Januar 1931 sanctioning the extension of the period of Special Duty of the Amildar Mr. M.N. Anandalwar and of his establishment till the end of June 1931.

2. The following letter No. 829 of 1930-31 dated the 15th June 1931 from the Muzrai Commissioner about the further extension of the term of the Special Duty Establishment referred to in the order read above for 4 months i.e. till the end of October 1931:

With reference to correspondence ending with your letter No. 2288/Muz. dated 16th April 1931 calling for the submission of progres report on the work of the Special Duty Staff, I have the honor to sub mit herewith copy of a special report dated 5th June 1931 submitted by Mr. M.N. Anandalwar, Amildar on Special Duty, and to state as follows:-

3. From the report it will be seen that up to the end of May 193. inspection and investigation work in all the Taluks of the Mysore District except Krishnarajpet, Mandya, Madur and Nagamangala Taluks has been completed and that work in the Krishnarajapet Taluk is expected to be finished during the current months. The investigations so far conducted have resulted in tracing -

(i) 142 defunct institutions
(ii) 66 cases of alienation or unauthorised enjoyment of Inam endowments
(iii) 82 cases in which village institutions may be converted into minor ones, and
iv) 150 cases in which the revision of existing scales are necessary.

Individual reports in respect of 113 defunct institutions, 29 cases alienation and 46 cases in which village institutions may be converted into major ~~and~~ minor institutions are said to have been submitted to the Sub Division Officers concerned, leaving 29, 37 and 36 cases under i, ii, and iii, respectively, for completing the enquiry. On the basis of the investigations thus conducted, the Special Duty Amildar estimates that recurring and non-recurring income as de-

below will accrue to the General Muzrai Fund after the 142 institutions are finally declared as defunct.

Recurring: Income from lands or cash grant Rs. 621/- a year

Non-recurring: Balances available at the credit of these institutions Rs. 9740/-.

The conversion of 88 village institutions into major or minor ones is expected to yield an annual reserve of about Rs. 2310/- for the benefit of the institutions concerned, besides a contribution of Rs. 460/- to the Muzrai Establishment Fund. The restoration of the Inam lands which have been either alienated or in the unauthorised enjoyment of other persons is likely to benefit the institutions concerned to the extent of Rs. 5554/- a year.

3. Mr. Anandalwar, represents that the entire work in the Mysore District could not be completed within the allotted time, as the number of institutions to be handled was much larger than in the Shimoga District and as there was some difficulty also in getting information about the details of Inam lands in Inam villages. He expects to complete the remaining items of work, viz.,

(i) Inspection and investigation of defunct institutions in the Mandya, Nagar and Nagamangala Taluks;

(ii) Completing enquiry in respect of
29 defunct institutions
37 cases of alienation; and
36 cases of conversion of village institutions into major or minor institutions within four months from 1st July 1931.

4. Mr. Anandalwar has done good work during this period. It is desirable to have the remaining items of work also attended to by the same agency. In view of the above, I beg to recommend that the term of the Special Duty Establishment may be extended by four months more, i.e. till the end of October 1931, the charges on account of pay, travelling allowance &c. being met as here-to-fore.

5. A copy of letter No. H.221/30-31 dated 30th April 1931 received from the Deputy Commissioner, Mysore District, submitting the details of work done by the Special Duty Amildar till the end of March 1931 called for in your letter under reply is sent together with its enclosures in original. It has to be observed in this connection that

23

the non-submission of reports by the Sub Division Officers giving details of cases disposed of by them is highly unsatisfactory. The Deputy Commissioner will be requested to instruct the Sub Division Officers to show better progress in future and to submit the report at the prescribed period.

6. Similar report in respect of work done in the Shimoga District could not be submitted, as the particulars called for from the Deputy Commissioner have not been received in spite of reminders. An urgent reminder has again been issued to expedite the submission of the report in the form desired in your letter of the 16th April 1931.

SIR,

I have the honor to forward herewith copy of letter No.9/Muz.223-30 dated 2-7-31 from the Financial Secretary to Government in the matter of crediting to the General Muzrai Fund the amount available at the credit of institutions which are reported to be not functioning now and to state as follows:-

In para 5 of his report dated 5-6-31 (copy sent with your letter No.H.221/30 dated 24-6-31) the Special Duty Amildar has stated that a cash balance of P 9740/- in the aggregate is available at the credit of 142 institutions and that out of this amount a sum of P 2200/- (including State Loan Bonds of the face value of P 300/-) representing the balances of 10 defunct institutions has already been credited to the General Muzrai Fund. I request that Institutionwar details for amounts remitted as above together with the No. and date of the Remittance Transfer Receipt with which the amount was sent to this office may kindly be furnished for reference and verification. Immediate instructions may also be issued to the Amildars of Taluks to remit without delay the balances at the credit of institutions which have been since declared as <u>defunct</u>.

The Sub Division Officers should be kindly instructed to pass final
ers promptly in the remaining 103 cases in respect of which the Special
dar has submitted individual reports. The report of work done

Sir,

I have the honor to invite reference to Government Order Nos. 2753-57/Muz.223-30-4 dated 24th June 1931 and 19-21 Muz.223-30-6 dated 4th July 1931, sanctioning the continuance of the ~~marginally noted~~ special establishment noted over leaf at a total cost of Rs2,422/- and directing that the cost thereof be charged to General Muzrai Fund and to state as follows:-

(1) In the Budget Estimates of the General Muzrai Fund for 1931-32 there is a provision of only Rs638/- and no provision is made for Rs2,422 referred to above.

(2) The budget estimates for 1931-32 provide for a minus balance of Rs9,313-14-6 at the beginning of the year and for a minus balance of Rs1,065-4-9 at the end of the year.

(3) The actual opening balance for 1931-32 as per preliminary accounts for June 1931 work up to Rs-4,339-4-8.

(4) Generally the withdrawal from the Fund Accounts should be limited to the balance at credit unless overdraft is allowed by Government in individual cases.

I request orders of Government as to (1) whether the charges sanctioned by Government can be passed in audit without reference to the balance at credit and (2) whether any interest has to be charged on the overdrawals and if so the rate of interest that should be charged, since the corpus of the fund is invested in securities and earns interest.

I have the honor to be,
Sir,

GENL & REV SECTT. 325. 1 OCT 1931 MUZRAI.

SIR,

With reference to your letter No.516/Muz.223-30-9 dated 3th August 1931 forwarding for opinion copy of Comptroller's letter dated 1 th August 1931 re. the General Muzrai Fund, I have the honor to state that according to the Comptroller to Government the actual opening balance for 1931-32 as per preliminary account for June 1931 as minus Rs. 4511-4-8. Since 1st July 1931 a sum of Rs.5056-14-7 representing the cash balance of institutions which were finally declared as defunct has been credited to the General Muzrai Fund reducing the debit to that extent. The Deputy Commissioners of Districts, more particularly those of Mysore and Shimoga Districts have been requested to bring into early disposal the cases detected by the Special Duty Amildar, the Special Duty Auditor and the Amildars of Taluks and to remit early the amounts standing to their credit to this office. It is hoped that during the current year the minus balance will not only be fully adjusted but also the financial position of the Fund will be considerably improved.

2. As regards the points raised by the Comptroller to Government viz.,(i) whether the charges sanctioned by Government can be passed in audit without reference to the balance at credit and (ii) whether any interest has to be charged on the over-drawals and if so, what rate of interest that should be charged, since the corpus of the fund is invested in securities and earns interest, I have the honor to state as follows:-

(i) From the budget showing the income and expenditure of the Fund for the year 1931-32, it will be seen that the entire corpus of

is to be met accordingly therefrom. The interest on the sewer is not realized at once and the same time but will be spread over the - whole period so that it cannot be said with any certainty that the working balance of the Fund will always be sufficient to meet the charges ---- sanctioned by Government. I am therefore of opinion that it is necessary that provision in accordance with the sanctioned budget and all --- other items of expenditure sanctioned by Government should be passed in full without reference to the balance at credit at any specified time. If such provision is not provided, many an institution will be hit hard and consequently there will be much dislocation of work.

(2) The corpus of the fund is drawn from the surplus funds at the credit of various Local Institutions under Government management and the annual interest therefrom is utilized for the benefit of rural institutions as well as also for other purposes not - inconsistent with the objects of the original endowments. If the - surplus funds of the above favoured institutions did not been drawn as contribution for the Fund, such surplus amounts could have been --- invested in securities and interest earned on behalf of the institutions concerned. At present cash balances standing to the credit of several institutions have to be allowed to remain in Government Treasuries and no interest is paid thereon. The investment of the corpus of the Fund in securities seems to be no valid reason for charging interest on overdrafts. The Fund can not be differentiated from individual institutions in such case overdrafts are also of the nature of an interest as the annual interest is utilized for the benefit of other similar institutions, I am of opinion that no interest need be charged on the over-drafts, having regard to the fact that no new grants are -- sanctioned from the Sewer Funds.

I have the honor to be,
Sir,
Your most obedient servant,

For Rural Commissioner.
